A family 7 room - 5 bathroom, two storey house for sale in Jūrmala, Līgatnes str.2 līt.6. Total floor area 380 sqm (balconies - 7+7+7+8 sqm, garage - 60 sqm), land plot 967 sqm, four balconies, wardrobe, 2-cars garage, garden and off-street parking for three vehicles. The house is newly built, everything is thought out, that it would be convenient and comfortable to live a large family. The decoration used only high-quality modern materials - natural oak flooring, three-layer wooden windows, veneered doors, clay tiles, natural stone on the floor and in the bathrooms. The house is on a monolithic slab, which guarantees the absence of cracks and precipitation for the entire period of operation. The house is connected to all modern urban communications - electricity, gas, water, sewage, stormwater, optical Internet, cable and satellite television. The interior of the house is made practical and tasteful. The spaciousness, light and closeness to nature emphasizes the large glazing of the second light - in the living room a lively century-old olive tree grows up to the panoramic ceiling. Each bedroom has panoramic windows to the floor and a balcony. The area around the house is beautifully landscaped. Enjoy a peaceful location on the seafont (50 m), next to a pine forest, the entire infrastructure near. Price 890 000 eur.
